Anlass sind die ACER-Entscheidungen 12/2026 und 13/2026 zur Änderung der Implementation Frameworks von PICASSO und MARI vom 18.09.2026

ACER
European Union Agency for the Cooperation of Energy Regulators

PUBLIC

DECISION No 13/2026
OF THE EUROPEAN UNION AGENCY
FOR THE COOPERATION OF ENERGY REGULATORS

of 18 September 2026

on the third amendment of the implementation framework for the European platform for the exchange of balancing energy from frequency restoration reserves with manual activation

THE EUROPEAN UNION AGENCY FOR THE COOPERATION OF ENERGY REGULATORS,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2019/942 of the European Parliament and of the Council of 5 June 2019 establishing a European Union Agency for the Cooperation of Energy Regulators[1], and, in particular, Article 5(2)(b) thereof,

Having regard to Commission Regulation (EU) 2017/2195 of 23 November 2017 establishing a guideline on electricity balancing[2], and, in particular, Article 21(1) thereof,

Having regard to the outcome of the consultation with the concerned regulatory authorities and all transmission system operators,

Having regard to the outcome of the consultation with ACER's Electricity Working Group,

Having regard to the favourable opinion of the Board of Regulators of 16 September 2026, delivered pursuant to Article 22(5)(a) of Regulation (EU) 2019/942,

Whereas:

1. INTRODUCTION

(1) Commission Regulation (EU) 2017/2195 of 23 November 2017 establishing a guideline on electricity balancing ('EB Regulation') lays down a range of requirements for electricity balancing, platforms for the exchange of balancing energy as well as terms

[1] OJ L158, 14.6.2019, p. 22.
[2] OJ L 197, 25.7.2015, p. 24.
